

# Multipurpose folding arms G-Plus

Part number	Description	Paint finish	Length in m <sup>1</sup> Pack. unit
-------------	-------------	--------------	--

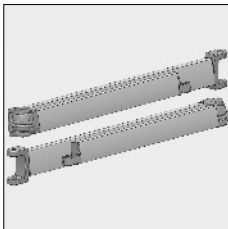

**G-Plus (pvc-coated double cables)**  
Suitable for all folding arm awnings with a max. fabric surface of 16.5 M<sup>2</sup>.

**Particulars:**  
- Fork of forged aluminium  
- Finished with smooth profile

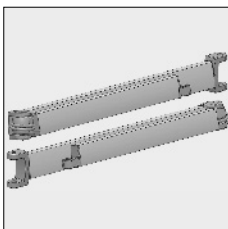

**Projection 150 cm**  
**Arm size\* in closed position: 85.5 cm**

4300 000-001	Folding arm G-Plus, with grey powder coated cast parts, per pair	Silver anodized
4300 000-006	Folding arm G-Plus, per pair	RAL 9010 pure white
4300 000-901	Idem	RAL 9001 cream

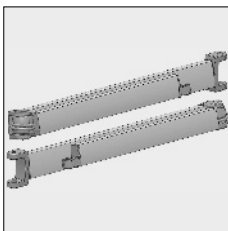

**Projection 200 cm**  
**Arm size\* in closed position: 114 cm**

4300 002-001	Folding arm G-Plus, with grey powder coated cast parts, per pair	Silver anodized
4300 002-006	Folding arm G-Plus, per pair	RAL 9010 pure white
4300 002-901	Idem	RAL 9001 cream
4300 002-755	Idem (* = textured)	RAL 7016 anthracite grey*

**Projection 250 cm**  
**Arm size\* in closed position: 142.5 cm; with equal sections 131 cm.**

4300 004-001	Folding arm G-Plus, with grey powder coated cast parts, per pair	Silver anodized
4300 004-006	Folding arm G-Plus, per pair	RAL 9010 pure white
4300 004-901	Idem	RAL 9001 cream
4300 004-755	Idem (* = textured)	RAL 7016 anthracite grey*
4300 004-833	Idem (* = textured)	Sepia brown*
4300 006-001	Folding arm G-Plus, with <b>equal sections</b> and grey powder coated cast parts, per pair	Silver anodized
4300 006-006	Folding arm G-Plus, with <b>equal sections</b> , per pair	RAL 9010 pure white
4300 006-901	Idem	RAL 9001 cream

**Projection 300 cm**  
**Arm size\* in closed position: 171 cm**  
**With equal sections 156 cm**

4300 008-001	Folding arm G-Plus, with grey powder coated cast parts, per pair	Silver anodized
4300 008-006	Folding arm G-Plus, per pair	RAL 9010 pure white
4300 008-901	Idem	RAL 9001 cream
4300 008-755	Idem (* = textured)	RAL 7016 anthracite grey*
4300 008-833	Idem (* = textured)	Sepia brown*

# Multipurpose folding arms G-Plus

2

Part number	Description	Paint finish	Length in m <sup>1</sup> Pack. unit
4300 010-001	Folding arm G-Plus, with <b>equal sections</b> and grey powder coated cast parts, per pair	Silver anodized	
4300 010-006	Folding arm G-Plus, with <b>equal sections</b> , per pair	RAL 9010 pure white	
4300 010-901	Idem	RAL 9001 cream	

\* = arm size is measured from the centre of the mounting point for the arm connection.

### ATTENTION !!

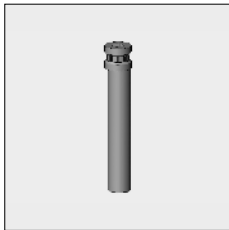

Folding arms which are powder coated A SECOND TIME are not covered by the warranty, since the glue and springs may be damaged due to the high temperature during the powder coating process!

4210 174-080	Self-adhesive protection cap for folding arms	Transparent	56
--------------	---	-------------	----

The G-Plus arms can be mounted incl. 2 different pins:

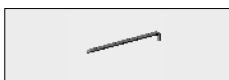

- The eccentric pin (4210 615-000) to adjust the arms with the pin.
- The centric pin (4211 299-000) to adjust another way, like with the new arm holder kit primo/Linea (4211 960-...), new mounting plate kit Gota (4211 846-...)
